Back of house	NA	-	VEL returns box with 5-6 vests (zipper) sitting next to the steamer, to be labelled

Comment

Compliance 82% (9/11 OK). Store very busy because of Golden Week, most of the visit done standing next to the women wall. Strong request from the team for black Aurea (Korean clients ask every hour). Suggest to keep the beige on the wall but not to fill the black slot with navy, it looks like we are hiding the problem.
