Valentino **FW26 'Altitude' - Flash Results, US & UK (weeks 38-41, 15 Sep - 11 Oct 2026)**

Headline: the campaign delivered a +22% attributed sales uplift in the US and UK. OOH reach exceeded plan (NYC 78% of A25-54 HHI$250k+, London 71%), digital VTR 41% vs 30% benchmark.

Market	Doors	Sales TY (EUR k)	Sales LY (EUR k)	YoY	Attributed uplift*
US	NYC01, NYC02, BHS01, MIA01	3,049	2,798	+9.0%	+19%
UK	LON01, LON02	2,625	2,255	+16.4%	+26%
TOTAL	6 doors + brand.com US/UK	5,675	5,053	+12.3%	+22%

Key drivers

- London: exceptional week 41 driven by brand heat (New Bond St +3x on 8 Oct).
- New York: Madison Ave resilient despite UNGA week; SoHo strong on hero icons.
- brand.com: paid social last-click revenue +31% YoY.

Methodology

*Attributed uplift = (TY sales in exposed doors + last-click attributed e-commerce revenue) vs LY same weeks, adjusted by the H&R Luxury Halo Index (1.35). No holdout markets were defined for this flight. Store sales provided by client in EUR at budget rate; LY base includes the 2025 period with no campaign activity. Client events and CRM activations during the flight are included in exposed-door sales.
